APPLICANT DECLARATION		
<ul style="list-style-type: none"> <li>I agree to be bound by Wildcare's constitution, by-laws, policies and procedures, and by NSW wildlife laws and the regulations, codes, policies and Wildcare licencing conditions required under them.</li> <li>I acknowledge and agree to the personal information policies and protections detailed overleaf.</li> <li>I agree to undertake all required qualification and refresher training.</li> <li>I acknowledge that native fauna are wild, unpredictable and potentially dangerous, that accidents can occur when working with them, and that I need to exercise due care so as not to endanger myself or others during training or any rescue, rehabilitation, release or euthanasia of native wildlife.</li> <li>I declare that the information I have provided in this form is true and correct.</li> </ul>		
Signature:		Date:
<i>Submitting this form electronically means you consent to the above five conditions</i>		

## GETTING INVOLVED

- Membership is provisional pending completion of orientation and basic rescue training, or equivalent qualifications recognised by Wildcare, unless exempted for health, safety or other approved reasons.
- Our orientation and basic rescue training will introduce you to our five species-based rehabilitation programs (listed below), our rescue and euthanasia-by-firearm capabilities, and our range of support roles (also listed below). This initial-entry training enables you to make informed decisions about volunteering for specific roles, consequent rehabilitation training courses and operational tasking.
- Tick boxes below to indicate your initial interests. This advice assists our operational planning, student panelling for training courses and your general integration into Wildcare activities:

**Birds**       **Macropods** (kangaroos, wallabies & wallaroos)       **Wombats**

### Small mammals

Possums & gliders     Bats (microbats & flying-foxes)     Echidnas     Rodents     Koalas

### Reptiles

Lizards,     Goannas (monitors)     Turtles     Snakes

### Support roles

Not everyone feels able to rescue or rehabilitate, or can do so all the time. Our support roles include:

- Helpline team staffing the shifts that answer public calls to our 24/7 telephone number
- Fauna transport team (eg. moving fauna from rescuer to rehabilitator or between rehabilitators)
- Euthanasia-by-firearm team relieving the suffering of mortally-ill or severely-injured fauna
- General administration     Financial administration     Strategic and business planning
- Public affairs team     Article-writing     Public education presentations     Website     Graphic design
- Fundraising team (eg. researching wildlife grants and sponsorships, staffing market-stalls, etc)
- Logistic support team (eg. equipment purchase and distribution, asset control, Wildcare shop, etc)
- Sewing team (eg. making small joey bags, at-foot joey bags, animal pouches, snake bags, etc)
- Woodwork team (eg. making nesting boxes, possum boxes, snake-boxes, travel cages, etc)
- Construction team (eg. erecting animal enclosures, aviaries, release cages, animal shelters, etc)
- Something else you can help with. Please advise: \_\_\_\_\_

## RECORDING, USE AND PROTECTION OF PERSONAL INFORMATION

My signature in the declaration on page one acknowledges that I understand and agree to the following procedures governing how Wildcare records, uses and protects my and others' personal information.

- Wildcare's fauna rehabilitation licencing requires my full name and address being recorded in the membership lists provided to NSW Government agencies (eg. National Parks and Wildlife Service).
- Wildcare rescue and euthanasia-by-firearm call-out lists depend on our members being swiftly contactable. These in-confidence lists used by our co-ordinators and helpline operators necessarily record my name, telephone numbers, locality, and my preferred availability and area of operations.
- Wildcare species co-ordinators necessarily maintain lists recording the name, residential and care address, email address and telephone number(s) of members rehabilitating their respective species.
- Wildcare communicates with members generally via our PossumPost email list and our website. Please contact the Membership Secretary if you have an occupational-security requirement that might complicate or preclude the otherwise routine listing of your email address in the PossumPost list.
- A member-consultation list in the password-protected, member-only, section of our website enables members to consult, help or mentor each other by telephone. This list includes my name, telephone number(s) and general locality, but not my street and email addresses or other details.

Please contact the Membership Secretary if you have a silent-number or an occupational-security requirement that might complicate or preclude the otherwise routine listing of your telephone number.

- Current members may also choose to join a Facebook group operated by some members after advising that private group's administrator of your name and membership number.
- Wildcare policy and procedures concerning the protection of personal privacy are on our [website](#).
