

## Wildcare

### Animal Rescue, Assessment and First Aid 2008

- Date: 15 March 2008
- Time: 9am to 1:30pm
- Location: Fernleigh Community Hall (cnr Swan Drive and Fernleigh Drive, Fernleigh Park – see map attached to email: rural street map insert – box I 12, you will have to zoom!)
- Equipment: Pen and paper
- Course Cost: \$5 to cover handouts and morning tea (gold coin donation for refreshers who already have all the notes)
- Note: Morning will be provided – please advise us **before** the day if you have any special needs
- RSVP: Wednesday 12<sup>th</sup> March (but sooner if possible!!) to Melanie Garner at [training@wildcare.com.au](mailto:training@wildcare.com.au) or on 6254 3421
- Refresh: Annually

**This course is aimed at preparing members on how to safely rescue mammals, birds and reptiles from the typical situations that Wildcare members are asked to respond and handle. Advice and practice with how to go about safely rescuing, what is first assessment, considerations for different species and some rudimentary first aid information is included in the course.**
